

Patient Treatment and Rights Policy

1. Emergency Procedures

In case of a medical emergency, patients are advised to call 911 immediately. The clinic will assist with referrals for emergency care where necessary.

2. Treatment Guidelines

All treatments must be documented and included in the patient's medical record. Patients should be informed of possible side effects and alternative treatments.

3. Medication Policies

Prescriptions must be filled within 7 days of issuance. Patients should schedule appointments to discuss any medication changes.

4. Telehealth Procedures

Telehealth services are available. Patients should provide a valid email to receive appointments and follow-up communications.

5. Patient Rights

Patients have the right to be informed about their treatment progress. Confidentiality will be maintained in compliance with HIPAA regulations.
